Everybody On 

HP Pavilion G5402uk Desktop PC

HP recommends Windows® 7.

- **Stylish, modern good looks**

The HP G5400 features a sleek design with a glossy black finish that's truly modern. Hidden connectors and disk drives add to the clean, uncluttered look.

- **Ideal mainstream desktop computing**

This feature-packed desktop PC features powerful processors, high-capacity hard drives, top software, extensive connectivity options and great-quality digital sound.

- **Expandability that fits your future**

Get more out of your investment! The Microtower design of the HP G5400 means it's flexible and easily expandable to ensure it meets your needs now and in the future.

- **Total support from HP**

If you ever have an issue with your PC, rely on HP for superior support. HP's award-winning customer support website and extended service plans mean you're always in good hands.

- **Anytime access to your photos, videos and more**

The HP G5400 allows you to access your media from anywhere you use the Internet.

With its clean, sleek good looks, powerful processors and variety of features and software, the HP G5400 is an ideal choice for households that need a PC for multimedia, gaming and everyday computing tasks.
